Burger Run 2011

Well this was like the third year in a row we have attended the Burger Run Car Show. I should have made a list of who showed up but I didn't, so I'm going on memory several weeks later. Let's see, myself, Randy, Steve, John, John, Stu, Richard. If I missed a few names I apologize! Here's the pictures of the event..

gnrs 2011

Just got back from the Grand National Roadster Show with Dave & Kati Chick. Before lining up at the fairgrounds we had breakfast at the airport's café nearby and got loaded up on coffee. At the show they had us enter from a new entrance and once inside we started hitting all the buildings and displays.

As usual there was so much to see, many, many examples of fine custom car bodies and exquisite paint jobs. Edelbrock had their normal super trailer of products on display. I took the time to really check out their "Air-Gap" manifolds and fuel injection systems. They really have some nice goodies.

About five pm they allow anyone parked inside like us to leave, otherwise you have to wait until they close at 9pm. So we bailed and got the heck out of there—too many people! Maybe next year a few others in the group will join us. It's a lot of fun..

There's nothing like seeing the GNRS in person. There are really some wild things to see. And don't forget about the food court area at lunch time. 2012 is right around the corner! Be there!

I hope that grabbed your attention. The SoCalAMX.net monthly newsletter has a nominal cost of \$0.00 per issue due to the availability of Internet delivery. If you have problems downloading the newsletter I will make arrangements with you to send a copy via the United States Post Office, for a small fee to cover postage.

The newsletter is published in the Adobe .pdf format because it can be viewed across all computer platforms such as Windows, Mac, and Linux. You can always download the most current version of Adobe Reader (ver. 9 currently) at their web site (adobe.com). Sometimes, if you're having a problem viewing a .pdf document, installing a fresh copy of Adobe will cure your problem. Adobe's new ver. 9 Reader seems to load much faster than past versions, but be informed the download is about 33 meggy bites!.

The newsletter is available for downloading at www.socalamx.net/newsletter. All back issues will be available as they are published monthly. If you have received a notice for this newsletter and wish to be taken off simply email me at mightypilot@gmail.com and I'll get you off the list promptly.

Just think how busy I'll be if articles are submitted to me, by you, members of SoCalAMX? Send all submissions, pictures and text, to mightypilot@gmail.com and I'll do my best with them. The deadline for the following month's newsletter is the 15th of the current month.

Mark Melvin,
SoCalAMX Newsletter Editor

Please do attach pictures to your email if you have them! Send your stuff to: mightypilot@gmail.com

Member Spotlight

Now is your chance to be famous! We need volunteers for the monthly "Member Spotlight" article in the newsletter. All you have to do is give up some information on yourself and your car that you think might be fun for the others to read about.

It's easy to do, just go to <http://socalamx.net/memberspotlight.htm> and use the online form to send me the goods. Please send a few photos in addition to mark@socalamx.net to use along with your information about you and your car.

To get an idea of what exactly to say read a few of the recent newsletters for the Member Spotlight articles in them. Go to socalamx.net and click on Newsletter.
