EDITOR'S NOTES

Hi everyone, we're past Christmas now, everyone's schedule should have slowed down by now, just like mine, right? Heck no! I'm still very busy with my Playmate AMX restoration project, with Allen Tyler working many hours on the car. There is an update on the PM car elsewhere in the newsletter.

This is President's Day weekend so with a few free hours at my disposal I thought I'd pump out a newsletter so everyone can be aware of upcoming events.

Just to let you know, the club website at socalamx.net was hacked at the beginning of

the month due to a weak password I'm guessing. Everything is locked down now, good luck to finding out the new system password. I checked a web site called "howsecureismypassword.net" and it said that it would take a PC computer some 98 million years to crack it.

The hacking was the bad news as I ended up having my host wipe the site clean. The good news is that I had a backup of the files and was able to re-upload them. My apologies to anyone who was trying to access the web site to view newsletters or other information.

I am starting over on the new Wordpress web site as the old one I was starting to learn on was also wiped clean from the web site along with everything else. It will be several months of working on it a few hours here and there before I will be able to open it for access to everyone. It will have an online calendar that Randy Kirby will be able to update with upcoming events, and a forum to post messages, and information on joining our local club and the national clubs, AMCRC and AMO.

Just to recap from a few months ago, we have officially joined AMCRC as a chartered club. In the next issue of AMCRC's newsletter, called the Rambler Reader, there will be an article written by myself introducing our club to AMCRC. Of course you'll have to be a member of AMCRC to get your personal copy!

If you have a car project going on, or other news worthy news, send me an email, along with pictures, and I'll put it in the next newsletter.

That's it for now, see you at the next show!

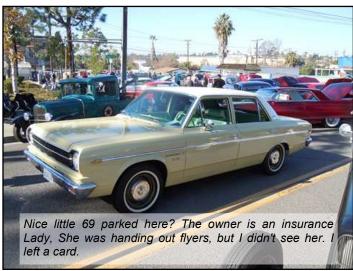

Mark Melvín

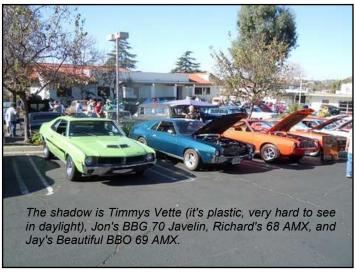

ENDONE PORTO DE LA CONTRA DEL CONTRA DE LA CONTRA DEL CONTRA DE LA CONTRA DEL CONTRA DE LA CONTRA DEL CONTRA DEL CONTRA DE LA CONTRA DE

Awesome Show, Great way to start the new year, there are no classes, about 60 handmade trophies, 620 cars on the show field with about 50 outside of it, and 40 no shows, Steve got a trophy for his SC/Rambler! He got one a few years ago with his AMX also! We seem to get a trophy in our group every year, and that's pretty cool! Randy Kirby..

Playmate ame update

Here's another update on the Playmate AMX. Photos don't show it but progress on the car is still moving along at a steady pace, if not a somewhat fast pace as well. The bottom of the

car was painted several months ago, and fuel and brake lines have been installed underneath. Over the past two weekends the front end suspension has been bolted onto the car and torqued down.

In a few weeks the rear end (rebuilt) and leaf springs (rebuilt) will be bolted on the car, and

hopefully by the end of the month the PM car will be off the rotisserie and back on the ground. It will have been 15 months that the car has been up in the air.

I sent the carburetor to a guy in Wisconsin who completely restored it to day one status—not

cheap. Wow, it looks new! I'll have it back home here within a week. Look at the before and after pictures below.

I'd like to think the project has made it to the top of the hill, and now that parts are going back on the car, we're now going down the other side

towards the finish line.

ii

Only time will tell when it's finished and at what car show it will make its first appearance.

Mark Melvín..

Drag Strip Reopened!

The 1/4 mile drag strip at Fontana is open again after being shut down for several years due to noise problems. The cure was a 24 foot tall wall of concrete 1800 feet long.

FREE! FREE! FREE!

I hope that grabbed your attention. The SoCalAMX.net monthly newsletter has a nominal cost of \$0.00 per issue due to the availability of Internet delivery. If you have problems downloading the newsletter I will make arrangements with you to send a copy via the United States Post Office, for a small fee to cover postage.

The newsletter is published in the Adobe .pdf format because it can be viewed across all computer platforms such as Windows, Mac, and Linux. You can always download the most current version of Adobe Reader X (ver. 10.x currently) at their web site (adobe.com). Sometimes, if you're having a problem viewing a .pdf document, installing a fresh copy of Adobe will cure your problem. Adobe's new Reader seems to load much faster than past versions, but be informed the download is about 52 meggy bites!.

The newsletter is available for downloading at www.socalamx.net/newsletter. All back issues will be available as they are published monthly. If you have received a notice for this newsletter and wish to be taken off simply email me at mightypilot@gmail.com and I'll get you off the list promptly.

Just think how busy I'll be if articles are submitted to me, by you, members of SoCalAMX? Send all submissions, pictures and text, to mightypilot@gmail.com and I'll do my best with them. The deadline for the following month's newsletter is the 15th of the current month.

Mark Melvin, SoCalAMX Newsletter Editor

SUPPORT YOUR NEWSLETTER

Writers are needed to help support this AMC newsletter. I welcome submissions from each of you who attend the events we go to each month.

You don't need to be a super writer or own a wiz bang word processor program. All you have to do is just send me a simple email as your article text and I'll do all the formatting and spell checking for you.

Please do attach pictures to your email if you have them! Send your stuff to: mightypilot@gmail.com

Member Spotlight

Now is your chance to be famous! We need volunteers for the monthly "Member Spotlight" article in the newsletter. All you have to do is give up some information on yourself and your car that you think might be fun for the others to read about.

It's easy to do, just go to http://socalamx.net/memberspotlight.htm and use the online form to send me the goods. Please send a few photos in addition to mark@socalamx.net to use along with your information about you and your car.

To get an idea of what exactly to say read a few of the recent newsletters for the Member Spotlight articles in them. Go to socalamx.net and click on Newsletter.
