Upcoming Shows

I just wanted to make sure everyone is aware of some AMC shows coming up soon..

The first one is the Silver State HET Club Invitational Meet & Orphan Car Show on March 12, at the Railroad Pass Hotel. Organized by the Hudson guys, anything Nash, AMC, or orphan car related is invited. The show's flyer is in this newsletter.

Next up is the annual AMC Regional Show in Phoenix hosted by the Cactus Cruisers. It is slated for April 9th. Details to follow next month.

I've already signed up online for the May 14th Edelbrock Car Show in Torrance. Last year we had five cars, let's get a few more for this year.

Then on May 21 our own club will once again be hosting the "West Coast All AMC Car Show" at the same site as the past two years.

This year for Friday's event there will be a tour of the "Planes of Fame" Air Museum at nearby Chino Airport. I hope you like airplanes! This tour starts at 2pm and ends at 5pm when the museum closes.

Afterwards if you're hungry and want to stick around there's Flo's Café on the airport premises. My dad flew his Cessna 140 here in the 1960's for breakfast. If it's been here that long, and the locals go there for dinner you know it must be good!

Horseless Carriage Club Car Show

Sunday, December 27, was a beautiful, sunny day to show up at the Irwindale Speedway for the 60th Annual Holiday Motor Excursion, sponsored by the Horseless Carriage Club of Southern California.

Dave/Katie Chick and I thoroughly enjoyed ogling the gorgeous cars, mostly from 1900-1932, although there were quite a few 1932+ autos in attendance. Most of the vehicles were well-restored; some unrestored examples still prowl the roads of Socal.

After the show was over spectators lined the streets to wave goodbye to the excursionists, cars made up until 1932. We ate breakfast at Caramelo Café, an authentic Mexican restaurant in La Puente and I thought the food and service were very good.

We encourage all the AMC peeps in Socal to attend this event. It is something to behold!

M.A.T.O.

The Midnight At The Oasis Car Show in Yuma is fast approaching. It's too late to sign up now, but Randy Kirby and myself did so far enough in advance so we're going. Last year was my first time there. They put on a good shin-dig! First, everybody parks on the grass of four baseball fields. Then they provide a killer meal each day—all you can eat, Fri, Sat, and Sun. On Fri and Sat evening they have you covered with a concert each night. Next month I'll be reporting back with pictures..

It was cold! We only had 4 cars going, it had rained all week and it was possibly going to be a rain out, but it was clear for the show. In 29 years they have only had two rain outs! This place was pretty full by 7am, must have been around 600 cars. If you look over the top of our cars, you might see the cars that came in after us!

We ended up with 5 cars, Tom showed up a little after we did, if I had known he was coming, I would have tried to save him a spot with us.

This is an American Motors Family, both have 401's in them, although you probably won't even hear the American while the Gremlin is idling, the Gremmy sounded Awesome when she pulled in.

The Morales Brothers, Nick with the 66 Convertible (Mild 401), also has a near completion 72 Hornet with a 401. John has a 72 Gremlin with a 401 that doesn't sound stock in ANY way! Louie is building a 70 AMX. And Steve has a 60 Ford Sunliner. I wonder if he was adopted. There's a 5th brother and a sister, I wonder what they drive? Sounds like they have their own club! Good guys, Hope to see them again, they were given Club info!

Our Club mugs, a bit washed out....Randy, Jon, Steve, Mark, and Tom....I didn't notice the out houses behind us when I took this....well....crap....

2016 GRAND NATIONAL ROADSTER SHOW

The Grand National Roadster Show is one I have been looking forward to patiently as the restoration of the Playmate AMX neared its completion. It's a very prominent show to have a car placed in, with lots of people and media over the three day event, to eyeball everyone's prized automobiles. To get signed up you must enter early, which I did, and pay \$100 to park inside one of the 9 buildings.

Evidentially the Playmate AMX must have met the standards the organizers were looking for because it was formally accepted months in advance. So there I was on a Thursday morning, with my truck and trailer in line at the LA Fairplex, with hundreds of other entrants waiting as well, to get their cars placed in the buildings.

What a mess, there were three long lines of trucks and trailers, mixed along with the show cars. Late arrivals formed up two additional lines. Car were taken equally from the front of the lines to be place inside the buildings, meaning some of the late arrivals were placed before the early arrivals. Sensing there would be chaos inside the gates I smartly pulled out of line with my trailer, parked, pulled the car out and returned to the lines. This seemed to work out well.

Once inside the gates I was directed to building six where a line of cars had backed up already. Due to early confusion at that point nobody was directing me where to go so I drove around the building and ended up at the roll up door and got inside and parked quickly. Of course with preassigned parking guess where the only AMC got placed. Ya, right in the building's corner. Neatly out of the way.

With my three day passes I came back Friday before the public was let in, to clean the windows and wipe any residual dust off, and put up my car sign in front of the car. After perusing the other buildings and snapping some pictures I returned home for the day.

The next morning, Saturday, with my red 69 AMX I met up with Dave & Kati Chick in their white 68 AMX and together drove in and parked inside of the gates next to one of the buildings. From there the three of us hit all the buildings in detail and snapped many more pictures. The younger broth-

er, Eric, of one of my friends from high school days, Mark, who had a Javelin way back then, surprised me by stopping by to say hi. He had heard about me being there from his older brother and was looking out for me. What a great surprise, I had not seen Eric since the late 70's, about 35 years ago.

Sunday after the show I had to pull my car out and get her back home. Whereas Saturday had really great weather, Sunday was the complete opposite. When I arrived early afternoon it was raining steadily and the wind was blowing strongly. All of the cars that were supposed to park next to the buildings on Sunday, like we had been on Saturday, were missing. No shows. Many of the outdoor vendors knowing it would rain Sunday, left Saturday with their booths and goods, not to return Sunday. Those that did return were having to hang onto their booths that were trying to fly away in the wind. Surprisingly, even with the rain, there were people who still came to see the show, although overall attendance was way down.

After the award ceremony ended (the Playmate AMX did not win anything) I walked back out to the trailer parking area to get my trailer and got in line with the others waiting to retrieve their prized cars. By the time I motored up to the building the rain had stopped and the ground was actually mostly dry, I was able to load up the Playmate AMX without getting wet, and promptly made room for the next trailer. I even was able to make it home, drop off the trailer, and make it to work at 10pm on time.

I hope to see more AMC'ers there next year!

SUPPORT YOUR NEWSLETTER

Writers are needed to help support this AMC newsletter. I welcome submissions from each of you who attend the events we go to each month.

You don't need to be a super writer or own a wiz bang word processor program. All you have to do is just send me a simple email as your article text and I'll do all the formatting and spell checking for you.

Please do attach pictures to your email if you have them! Send your stuff to: mightypilot@gmail.com

JOIN AMCRC!

SoCalAMX has become a chartered club of the national AMC club known as AMCRC, or AMC Rambler Club. Although membership in AMCRC is not required for membership in SoCalAMX, it is encouraged that everyone join AMCRC to support the national and local clubs, and the AMC hobby in general.

To join AMCRC go to amcrc.com and click on the "Join" link on the side.

What do you get for joining AMCRC? You get a Start Up Packet, a quarterly publication, and Services. Read about the details at: http://amcrc.com/info/info.htm

FREE! FREE! FREE!

I hope that grabbed your attention. The SoCalAMX.net monthly newsletter has a nominal cost of \$0.00 per issue due to the availability of Internet delivery. If you have problems downloading the newsletter I will make arrangements with you to send a copy via the United States Post Office, for a small fee to cover postage.

The newsletter is published in the Adobe .pdf format because it can be viewed across all computer platforms such as Windows, Mac, and Linux. You can always download the most current version of Adobe Reader X (ver. 10.x currently) at their web site (adobe.com). Sometimes, if you're having a problem viewing a .pdf document, installing a fresh copy of Adobe will cure your problem. Adobe's new Reader seems to load much faster than past versions, but be informed the download is about 52 meggy bites!.

The newsletter is available for downloading at www.socalamx.net/1/newsletter. All back issues will be available as they are published monthly. If you have received a notice for this newsletter and wish to be taken off simply email me at mightypilot@gmail.com and I'll get you off the list promptly.

Just think how busy I'll be if articles are submitted to me, by you, members of SoCalAMX? Send all submissions, pictures and text, to mightypilot@gmail.com and I'll do my best with them. The dead-line for the following month's newsletter is the 15th of the current month.

Mark Melvin, SoCalAMX Newsletter Editor
