2017 Cactus Classic

Short notice, but this year's AMC Car Show in Phoenix put on by the Cactus Cruisers is next weekend. There's still time to make plans to go so get with it.

The show's flyers are in the back of this newsletter. Get your car fueled up, aired up, and packed up. Let's go!

A few other pictures from last year..

PLAYMATE AMX REPORT

What a cool little known car show I discovered two weeks ago called the Benedict Castle Concours. I came across it while poking around on Facebook. The show date was only 10 days away, kind of late to sign up for most shows at that point. So I called the number listed on the web site and got to talk to Nichole Maguire, who assured me there was still time to sign up if I did so quickly.

So ten days later on Sunday morning I was up at 3am to get over to the storage yard where the Playmate AMX hangs out and get the trailer hooked up and get us going down the road. I needed to be in Riverside by about 6am to get unloaded. Everything went smoothly, I had to unload a few miles away at a church, then park the trailer around back before driving over to "Benedict Castle" and getting parked within the grounds.

The weather was mostly cloudy and cool in the morning, then the sky in the afternoon cleared to mostly clear and warm. It was a nice show with lots of great cars. There were no clunkers anywhere here. The guy parked next to me had a 340 Duster that his dad had bought new in 67 or 68. Only 26000 original miles. Original paint and interior. The only thing that had been changed on it were the tires he said. He ended up winning 2nd in our class.

How often do you see a Deloraen at a show? Well the local Deloraen club showed up with 8 cars, and on top of that there were two more dressed up like the car used in the movie Back To The Future.

I happened to catch one of the judges in the afternoon attaching something to my car. I went closer to see what it was and realized it was a winner's ribbon, a 3rd Place Award. Cool, I didn't expect to get one.

Then had two surprise visitors. First, a guy named Tony came up to me and said he was one of the guys that sold me the car back in 2010. I remembered his English accent and chatted with him for a few minutes.

Then another gentleman came up to me and asked me to tell him something about the car. He revealed to me he was now retired but a year ago was working in the same prison as the Playmate in the administration offices and had the chance to talk to the playmate many times and commented she is a very sweet lady.

He said she had pictures of her car after the restoration, probably the ones I've sent her, and proudly goes around showing off her car to anyone who will listen.

That was about it. Got the car back to the church and loaded up in the trailer and headed home. I'm looking for the next show to take the Playmate AMX to..

M.A.T.O.

MATO or Midnight at the Oasis as it is called. This unique car show is held in Yuma, AZ each year in the early part of March. Perfect time for the show before it heats up there. The temps are usually in the low to mid 80's with clear skies, and this year was no different.

The layout of this complex is 4 baseball diamonds together where the San Diego Padres once had their spring training. Now once a year it's a big car show, with about 800 cars all managing to park on the grass. They have one meal a day for the show entrants, bar-b-q chicken and tri-tip, a concert Friday and Saturday nights. This show is so big it requires the sheriff department to handle traffic control in and out of the park and to be a show of force during the day.

But this year our ring leader Randy Kirby who normally organizes everybody from our club to go, himself couldn't make it, and Dale Crum and his parents couldn't make it as well.

I asked a longtime friend Mike to join me for the trip. He drives double trailers behind his Ford truck (camper and boat) and I don't know anyone I trust more driving my truck and trailer. It's nice to kick back in the right seat for a change.

This year due to late planning we had to settle for a parking spot in the main show field. This has pluses and minuses. The minus is that you must remove your car from the main field at 4pm to make room for the concert to be held there later. The plus is that it's the main field and they have more people walking around looking at cars so your car ends up getting lots of pictures taken of it. I snapped a picture of a group of men checking out a pink car. You don't see that often.

I encourage everyone to think about going next year. But the catch is you have to sign up very early, like around the beginning of April, eleven months before the show. See you there next year.

SoCalAMX

The set up for this year's 11th annual SoCalAMX Car Show has changed a little from the past three years, so check out this article for the details. Thank you first to Dave & Kati Chick who jumped in to help steer the show in a new direction this year. They so far have enlisted the help of Randy Kirby and Steve Fox to help with the planning and delivery of the show.

One notable change this year is the venue. We will be holding the show at Cable Airport in the city of Upland. The distance between last year and this year's location is just 2 miles. For

the most part the rest of the show will be similar to what we've done in past years. For Friday night, everybody, especially out-of-towners, are invited to come to Dave & Kati Chick's home in Monrovia for a bar-b-q.

We're holding the cost to \$30. When you go to mail in your entry form notice the new mailing address and make your checks payable to Dave Chick. The entry form is available in the newsletter and on the club web site at (socalamx.net/carshow).

That's it for now, please send in your entry forms soon to help us plan the numbers of the show.

SUPPORT YOUR NEWSLETTER

Writers are needed to help support this AMC newsletter. I welcome submissions from each of you who attend the events we go to each month.

You don't need to be a super writer or own a wiz bang word processor program. All you have to do is just send me a simple email as your article text and I'll do all the formatting and spell checking for you.

Please do attach pictures to your email if you have them! Send your stuff to: mightypilot@gmail.com

JOIN AMCRC!

SoCalAMX has become a chartered club of the national AMC club known as AMCRC, or AMC Rambler Club. Although membership in AMCRC is not required for membership in SoCalAMX, it is encouraged that everyone join AMCRC to support the national and local clubs, and the AMC hobby in general.

To join AMCRC go to amcrc.com and click on the "Join" link on the side.

What do you get for joining AMCRC? You get a Start Up Packet, a quarterly publication, and Services. Read about the details at: http://amcrc.com/info/info.htm

FREE! FREE! FREE!

I hope that grabbed your attention. The SoCalAMX.net monthly newsletter has a nominal cost of \$0.00 per issue due to the availability of Internet delivery. If you have problems downloading the newsletter I will make arrangements with you to send a copy via the United States Post Office, for a small fee to cover postage.

The newsletter is published in the Adobe .pdf format because it can be viewed across all computer platforms such as Windows, Mac, and Linux. You can always download the most current version of Adobe Reader X (ver. 10.x currently) at their web site (adobe.com). Sometimes, if you're having a problem viewing a .pdf document, installing a fresh copy of Adobe will cure your problem. Adobe's new Reader seems to load much faster than past versions, but be informed the download is about 52 meggy bites!.

The newsletter is available for downloading at www.socalamx.net/1/newsletter. All back issues will be available as they are published monthly. If you have received a notice for this newsletter and wish to be taken off simply email me at mightypilot@gmail.com and I'll get you off the list promptly.

Just think how busy I'll be if articles are submitted to me, by you, members of SoCalAMX? Send all submissions, pictures and text, to mightypilot@gmail.com and I'll do my best with them. The deadline for the following month's newsletter is the 15th of the current month.

Mark Melvin, SoCalAMX Newsletter Editor
